O Lugar  
MÁGICO

A vibrant indoor garden scene. In the center, a large, lush floral arrangement sits on a round wooden table. The arrangement features a variety of tropical plants, including ferns, bromeliads with bright red and orange flowers, and green foliage. The table is supported by a base made of red and orange mosaic tiles. The ceiling is made of dark wood with radial beams, and several glass jar lights hang from it. Two ornate, multi-tiered chandeliers with many small lights are also visible. The background shows more of the garden and some furniture, including a blue wicker chair. The overall atmosphere is warm and tropical.

A long wooden table is elegantly set for a dining experience. In the foreground, a large silver bowl filled with a fresh ceviche, featuring chunks of white fish, yellow mango, and green herbs, sits on a bed of ice. To its right, a whole crab is placed on the table. A lit candle in a glass jar, resting on a bed of white salt, provides a warm glow. The table is adorned with lush tropical plants, including a large arrangement of pink and red flowers in a woven basket and a tall green plant with pink buds. In the background, more plates of food, including what appears to be a breaded appetizer, are visible. The setting is intimate and rustic, with a lantern and other decorative elements in the distance.

DESPERTAR

A bottle of sparkling wine, likely Pinot Noir, is chilling in a silver ice bucket. The bucket is filled with ice and garnished with red rose petals. Two elegant champagne flutes are placed on a dark wooden table next to the bucket. The scene is set in a room with a rustic, textured wall and a warm, glowing lamp in the background. A quilted grey blanket is visible on the left side of the frame.
